

SSAGO SPRING RALLY NEWSLETTER 2021

ISSUE 3.5

## The Rally is Over

The participants have slept, and the feedback is coming. It's been a hectic weekend and we hope you've enjoyed it! As a committee we'd all like to thank those that have helped make that possible including the staff that helped run activities giving us a break, the exec who supported us through postponing and going virtual, the events who've gone before us and given us ideas and support and all the members who've joined us and made the activities as fun as they were!

We hope to see you again in-person or online soon!

### Astrology

**Virgo:** You will fall asleep in a meeting and snore like a leaf blower. You have a shot at an exciting new opportunity, and for once it doesn't include selling wrapping paper door to door. Break out your best dress-up sweatpants for this.

**Leo:** You need something new in your life this week! Add something that will increase your health like a pet, kidnap a guy that teaches tai-chi, or buy a sack of blood to keep the mosquitoes away! Or you could buy something that your home needs, like a cactus and/or Tupperware in the shapes of body parts, or a stuffed poodle. It could be a decoration or mop!

### Gelotology

**What's green and is dangerous?**

**Kermit with a flip knife**

**What does a lemon need when it hurts itself?**

**Lemon Aid**

### Rally Gossip

**There's a load of events planned for the anniversary of virtual SSAGO next weekend.**

**Newcastle and Durham have a rivalry over who's best. Obviously, it's the one that's organising Viking Rally!**

**Which LUSSAGO member do you want to follow on Instagram?**

**People prefer ordering their own takeaway versus letting a stranger do it.**

**People on the tea test were caught up in a cheating controversy. Can you google the shapes of tea bags?**

**One person boils water in the microwave, thankfully this is anonymous.**

**The Tom backgrounds are getting confused.**

**Turns out you don't need activities you can just let people virtually steal mascots on Discord.**

**Gossip will be returning to Discord soon!**

Thanks for attending rally!

## Late Award Nominations

**Microsoft Word for not liking the MuggleNews font in the Saturday and Sunday Newsletters.**

**Tom for downloading a random MuggleNews font which can't be used at the same time as Zoom.**

**Zoom for not recording the opening ceremony as the call was 'too busy'.**

**Erin for being bitten by something on the ear.**

**Scouting and Guiding for you know what.**

**Gossip will be returning to Discord soon!**

## So many photos!

Turns out with a virtual rally there's too many pictures to fit into a newsletter. So instead why not view Sunday's highlights video, along with other bonus content on our YouTube!

Thanks for attending rally!
